

Ten Things I Like to Do

Name: _____

Directions: Students write a list of ten things they like to do. After this has been completed, students code their answers as follows:

If you do this daily put a check in the first column. If you do this weekly put a check in the second column. If you do this monthly put a check in the third column. If you do this yearly put a check in the fourth column. If it involves spending money put a check in the fifth column. If you like to do it alone put a check in the sixth column. If you like to do it together with someone put a check in the seventh column. If it is something that is a healthy thing to do put a check in the last column.
